Project Assessment

Assessment: Assignment 1

Project: Assignments for Oliver Legg

Student: Oliver Legg   (201244658)

Marker:

Grade: 98

Part I:

Analysis and Design: 10

Programming Style:

Use of comments, indentation and identifiers: 3

Use of classes and methods: 3

Functionality and Correctness: 18

Does the program compile and print results correctly?:

Testing:

Evidence of testing: 10

Extras:

Additional questions asked: 5

General Comments on Part 1:

Well presented and code quality is good.

Part II:

Analysis and Design: 10

Programming Style:

Use of comments, indentation and identifiers: 3

Use of classes and methods: 3

Functionality and Correctness: 19

Does the program compile and print out the account costs correctly, and identify the lowest cost account?:

Testing:

Evidence of testing: 10

Extras:

Additional question asked: 4

General comments on Part II:

Penalties:

Failed compilation of Java source code files: No

Non pdf file (report):   No

Compression format other than zip: No
